

# Volunteer Opportunities

Welcome/Welcome Back! This year there are many opportunities to become involved in your child's religious school education. Among them are holiday events and parties that are celebrated in your child's classroom. Parents can get involved by helping to set-up, prepare and clean-up for the events. In addition, parents are needed to assist in making phone calls in the event of inclement weather or another contingency. As little as one hour of your time will be greatly appreciated, so please sign-up by checking below and then adding the date(s) to your calendar. And we would welcome more voices on our Education Committee!
